HISPALIS REGIONAL ECONOMICS APPLICATIONS LABORATORY

III HREAL WORKSHOP

Seville, 22th May 2020

Dear Colleagues,

For the third year in a row, the HREAL community comes together to discuss new works and undergoing papers covering several topics of Regional Science. The Faculty of Economics and Business Sciences of the University of Seville will host the III HREAL Workshop, in 22th May 2020.

During this work day, we forward to get together people at different stages on his/her academic progress, Junior Researchers to Full Professors. The idea is to follow the Regional Economics Applications Laboratory mission, seeking “to provide timely, high quality analytical economic information for a variety of uses such as public policy decision making by public sector agencies and for strategic marketing in the private sector”. Therefore, our goal consists in reinforcing the cooperation between institutions and scholars in the fields of economics, geography, urban and regional planning, computer science and/or mathematics.

If you are interested in presenting a paper, please contact with your HREAL coordinator and submit an abstract to hreal@uloyola.es before the 27th March 2020. Abstract should be prepared in PDF-format with a maximum of 300 words, the author's name and affiliation and 3-5 keywords.
